## **Western Heights Montessori Academy Bagged Lunch Policy**

This Policy applies to any children enrolled in our full day camps (PA Day, March Break and Summer). The centre promotes a healthy development of all children and recognizes the importance of a balanced diet.

Parents are encouraged to follow the Canada's Food Guide for information on nutrition and healthy eating. Please refer to Canada's Food Guide on the reverse side of this page. Sample lunch ideas/websites will be available at the centre to support families. Parents are encouraged not to send sweet treats as this does not provide the nutritious value needed.

The centre promotes a **nut-free** environment, and we ask parents not to pack anything containing nuts (including foods that "may contain nuts") in your child's lunch. Parents are required to inform the Supervisor/Designated Staff of any medical information or food intolerance their child may have.

If a Parent/Guardian has forgotten to pack a bagged lunch. A courteous call will be made to the Parent/Guardian and the centre will provide the child with a lunch. The Parent/Guardian will be billed accordingly.

Bag lunches must be in a bag or container which is clearly **LABELLED WITH YOUR CHILD'S NAME**. Please make sure your child's lunch is stored in a container that could safely keep desired food temperature. Due to high number of children enrolled in our program, we unfortunately could not provide refrigeration or heating services. On trip days, we recommend Parents pack a lighter lunch.

### **Parent/Guardian Responsibilities:**

- Child's lunch bag and containers are labelled with my child's name
- Provided a nutritious lunch suggestion from the Canadian Food Guide
- Include a frozen ice pack for you items that must remain cold.
- All items are Nut free

### **Staff Responsibilities:**

- Support parents by directing them to resources such as the Canada Food Guide when preparing their child's lunch.
- Staff will ensure children wash their hands before and after lunch.
- Staff will sanitize the tables prior to serving lunch and wash their hands before assisting the children with their lunches
- Staff will monitor lunches to ensure that food does not contain nuts or have the warning sign "may contain nuts".
- Staff will supervise closely any child that has a life-threatening allergy by sitting next to them or across from them during lunch time
- Staff will notify parents if concerns arise regarding the nutritional adequacy and/or presence of allergens in the lunch and snacks.
- If a child forgets to bring a lunch, or if allergens are present, staff will have on hand extra snacks to supplement, e.g., apples, crackers or cheese. Staff are to document in the logbook.
- Staff will NOT allow children to share lunches
